The Dexter breed will make its 4<sup>th</sup> annual pilgrimage to the Nebraska State Fair this year in Grand Island Nebraska beginning August 31<sup>st</sup>.

Dexters have made a quite a splash at the Beef State's state fair the past few years. This is a great opportunity for you to join with other Midwest breeders to promote our special breed, enjoy the fellowship of other dedicated dexter owners, and have a fantastic few days at the State Fair.

The Dexter Breed is fully integrated into the Nebraska State Fair Beef Department, receiving full state fair premiums, department support, and the opportunity to join in the Breed Parade of Champions at the conclusion of the beef show.

The Dexter show at the Nebraska State Fair is open to both ADCA and PDCA breeders.
